Main work - Building Construction Management

03/02 - 05/11 Mogocivil - Company of Civil Construction and Real Estate, Lda. - Mogofores

[Activity started in 01/03/2002]

[Activity taking place on 22.05.2015]

01/08/2010 ⇒ **Director of Technical Work | Designer**. Conservation work of building a yield of [one single-family housing (1 floor) and three warehouses for Commerce | Services] - Work Completed in its entirety on 01/08/2011;

01/07/2009 ⇒ **Director of Technical Work | Designer**. Conservation work of a single-family housing (2 floors) - Work Completed in its entirety on 01/07/2010;

01/07/2008 ⇒ **Director of Technical Work | Designer**. Conservation work of a single-family housing (2 floors) - Work Completed in its entirety on 01/07/2009;

01/07/2006 ⇒ **Director of Technical Work | Designer**. Construction work of Two Homes Multifamily (two tall buildings with 4 floors) - Work Completed in its entirety on 01/07/2008;

01/02/2003 ⇒ **Director of Work Technician**. Work of Three Multifamily Housing Construction (three tall buildings with 4 floors) - Work Completed in its entirety on 01/12/2005;

01/08/2002 ⇒ **Director of Technical Work | Designer**. Construction of a single-family housing (on two floors) - work completed in terms of concrete and masonry structure Armed cloths on 31/01/2003;

03/02 - 05/11 Work directions to Single Title

[Activity started in 01/03/2002]

[Activity taking place on 22.05.2015]

03/10/2008 ⇒ **Works Manager**. Construction of a single-family housing (on two floors) - Applicant: Telmo Ferreira / Location: Anadia - Work Completed in its entirety on 01/12/2010;

02/01/2008 ⇒ **Works Manager**. Construction of a single-family housing (on two floors) - Applicant: Cristina Maria da Silva Amorim / Place: Cavadas - Espairo - Anadia - Work Completed in its entirety on 01/12/2010;

10/12/2007 ⇒ **Works Manager**. Construction of a single-family housing (on two floors) - Applicant: Francisco José Ferreira Veiga / Place: Avim Valley - Moita - Anadia - Completed work as a whole on 31/08/2008;

07/09/2007 ⇒ **Works Manager**. Construction of a single-family housing (on two floors) - Applicant: Helder Henrique de Almeida Figueiredo / Place: Brotherhood Street - Town Walls - Anadia - Completed work as a whole on 31/08/2009;

03/08/2007 ⇒ **Works Manager**. Construction of a single-family housing (on two floors) - Applicant: Paulo Calado Cristiano Martins / Place: Dr. Sá Carneiro Street - San Pedro - Avelãs de Cima - Anadia - Completed work as a whole on 31/05/2008;

05/03/2007 ⇒ **Works Manager**. Construction of a single-family housing (on two floors) - Applicant: Antonio da Silva Martins / Location: Alto da Aguadela - Aguada de Baixo - Agueda. Work completed in its entirety on 01/10/2008;

01/12/2004 ⇒ **Works Manager**. Construction of a single-family housing (on two floors) - Applicant: Faustino Castanheira Coelho / Place: Mogofores. Work completed in its entirety on 01/04/2006;

- 01/11/2004 ⇒ **Works Manager**. Construction of a single-family housing (on two floors) - Applicant: Bertino Simões / Location: Vila Nova de Monsarros. - Completed work as a whole on 01/12/2005;
- 01/07/2004 ⇒ **Works Manager**. Construction of a single-family housing (on two floors) - Applicant: João Francisco dos Santos Pinheiro / Location: Anadia. Work completed in its entirety on 01/03/2006;
- 01/07/2004 ⇒ **Works Manager**. Construction of a single-family housing (on two floors) - Applicant: Manuel A. Jesus Venancio / Location: Anadia - Work Completed in its entirety on 31/01/2009;
- 01/02/2002 ⇒ **Works Manager**. Construction of two Industrial buildings / Urbanistic Arrangements / Slabs / Public Networks Water Distribution and Wastewater Drainage. . Location: Figueira da Foz - Work completed in its entirety on 01/10/2003;
- 01/02/2002 ⇒ **Works Manager**. Construction of a Gas Park / Urbanistic Arrangements / Slabs / Public Networks Water Distribution and Wastewater Drainage. . Location: Figueira da Foz Work completed in its entirety on 01/10/2003;

Professional Experience

10/02 - 02/03 **Carlos Dias & Leal, Lda. - Construction & Finishes - Oiã**

[Activity started in 01/10/2002]

[Activity completed on 02/31/2003]

Technical Consultant, Civil Engineer Projectista for Small Dimension of Private Works [isolated houses and buildings up to eight stores]. Projects Executed:

- Safety Plan, Hygiene and Health - Finishes - College Street - Oiã (for a Collective Residential Building);

09/02 - 05/15 **Project executed Individual Title - MANAGER ENGARQANA PROJECT OFFICE - CIVIL ENGINEERING AND ARCHITECTURE ANADIA | OFFICE STAFF**

[Activity started in 11/09/2002]

[Activity taking place on 22/05/2015]

Civil Engineer Designer. Projects performed:

- Telmo Ferreira - Anadia - Final Screens Architectural Design and specialties projects of a Work of Single Family Housing Construction, Attachments and Sealing Walls [Projects: Architecture, Foreign Arrangements, Acoustic Insulation, Thermal Insulation, Building Distribution Network Waters, Network Building Wastewater Drainage, Building Network of Storm water Drainage and Building Gas Distribution Network | Housing Credits | Council Tax statement on Real Estate - IMI | Calculation of the Tax Asset Value - VPT | Request I.M.I. Exemption];
- Cafamol - Company Aluminum window frames - Vale do Grou - Aguada de Cima - Aveiro - Industrial Pavilion [Projects: Measurements and Budgeting, tender documents];
- Cristina Maria da Silva Amorim - Cavadas - Espairo - São Lourenço do Bairro - Anadia - Single Family Housing Construction and Sealing Walls [Projects: Architecture, Arrangements Foreign Stability Excavation and Peripheral containment, ventilation chimneys and exhaust fumes or gases Combustion, Acoustic Insulation, Thermal Insulation, Receptacles Cards, Network Land of Water Distribution Network Building Wastewater Drainage, Building Network of Storm water Drainage, Gas Distribution Network Building and Fire Safety, Technical Data Housing , statements of Council Tax - IMI, Calculation of Tax Asset Value - VPT, IMI Waiver Request, Final various screens];
- Helder Henrique de Almeida Figueiredo - Street of the Brotherhood - Town Walls - São Lourenço do Bairro - Anadia - Single Family Housing Construction and Sealing Walls [Projects: Architecture, Foreign Arrangements Stability Excavation and

- Riding Arena of the Palace of Alpedrinha - Fundão
- Showers and Countertops Polidesportivo the Fair of Olive grove Grande - Belmonte

08/99 - 09/99 Technical Support Office of Covilha - GAT - Covilha

Author chapel Access Road Project of St. Anthony in Belmonte.

06/99 - 08/99 Technical Support Office of Covilha - GAT - Covilha

Author of the Project Fair Sports Centre of Olives Great in Belmonte, covering parts of architecture, budget, Stability and Water Networks and Sewerage. Calculation of stability in Cype [version 98.1.a].

05/99 - 06/99 Technical Support Office of Covilha - GAT - Covilha

Author of Architectural Project of the Urban Land Divisions Santa Maria Tapada in Belmonte.

04/99 - 05/99 Technical Support Office of Covilha - GAT - Covilha

Author of measurements Specialty and Budgeting of Spas Sports Complex of Arrais, in Covilha.

04/99 - 05/99 Technical Support Office of Covilha - GAT - Covilha

Chapel Mortuary Project author of Caria, Belmonte, covering parts of architecture, budget estimation, Stability and Water Networks and Sewerage. Calculation of stability in Cype [version 98.1.a].

Academic Qualifications

10/92 - 02/99 University of Beira Interior - Covilha.

Degree in Civil Engineering [variant of Planning and Urban Development], with a final average of 13 values.

10/91 - 06/92 High School Anadia - Anadia.

12th Year [Mathematics, Physics and Biology], with final average of 15 values.

10/89 - 06/91 Secondary School Adolfo Portela - Agueda.

10 / 11th Anniversary of the vocational area Sport, with a final average of 15 values.

Complementary training

04/97 - 05/97 Portuguese Association of Combustible Gases / Technological Institute of Gas - ITG - Coimbra.

Designers Course Gas Networks.

10/02 - 11/02 Technological Training Gas - FTG - Coimbra.

Introduction to Environmental Impact Assessment.

11/02 - 01/03 Technological Training Gas - FTG - Coimbra.

Designers Course Gas Networks.

03/04 - 04/04 Technological Training Gas - FTG - Coimbra.

Course Waste Management.

03/04 - 04/04 Technological Training Gas - FTG - Coimbra.

Quality Course of Water.

04/04 - 05/04 Technological Training Gas - FTG - Coimbra.

Legal Regime of course Contracts.

05/04 - 06/04 Technological Training Gas - FTG - Coimbra.

Course of Health and Safety in Construction

07/04 - 08/04 YELLOW - Vocational Training, Lda. - Coimbra.

Course on Remote Sensing.

06/07 - 07/07 Giacomini Portugal - Vila do Conde.
